Dear Sundown Lane Parents,

We are so excited to have the ANB Sunny Bank at Sundown Lane Elementary! This is a REAL bank for students, run by students. We hope this will be a great learning experience for everyone and will give some life lessons about handling money.

Just a few things you need to know:

- All students are welcome to open a bank account. Again, this is real money we are talking about!
- Students in 3rd Grade and above are welcome to open our Student Plastic Checking Account – opening deposit \$10
- Students in 2nd Grade and younger are encouraged to open a Student Savings Account – opening deposit \$5

** These deposit rates are for Sundown Lane students only. What a deal! **

- Once the Sunny Bank receives all information to open the account, your student will receive an account starter kit with their account number. The signature cards will be mailed to you to sign and return with a postage paid envelope.
- **A copy of the parent's driver's license is required for the opening of the account. We will need both parents' licenses if both parents are on the account.**
- Debit cards for the Plastic Account will not be distributed at the school, you must go to any ANB branch to acquire the card. (Furthering the educational experience!)
- At this time, the Student Savings account is not eligible for the Report Card incentive.

If you have any questions, please feel free to call any branch or me at 806-378-8000.

Thank you,
